We know how to do RODEO right!

Bozeman was once known as a Cowboy town. This 'Country' atmosphere and the beautiful surroundings drew new comers to our area in droves. With this enormous growth, the 'Country' atmosphere began to disappear and Bozeman became more of a City than a Town. Please join us in our restoration efforts. We are using RODEO to bring a little of the Cowboy Town atmosphere back. The State High School Rodeo Finals has been held in Bozeman for the past three years and will continue for at least the next two, so come join us June 2012, & 2013. We are looking forward to a Very Successful Montana State High School Rodeo Finals and we hope to see you there..

Please join us and become a High School memory.

Come and be Involved in this grass roots level of RODEO.

This is Your Opportunity to Combine Business and Pleasure in the *BIG SKY COUNTRY*

Spring Time In The Rockies

There is nothing like Spring Time In The Rockies. Come and experience it for yourself. Bring your family along on this business trip so you can all enjoy the unique treasures that this area has to offer. You will be surrounded by beautiful mountain ranges which include the Spanish Peaks. The Gallatin Canyon begins just south of Bozeman and it is an outstanding scenic drive to Big Sky and West Yellowstone. Livingston and the Paradise Valley is a short scenic drive to the East. Both trips will put you at an entrance to Yellowstone National Park. These and many other points of interest are well within 100 miles of your exhibit booth. Instead of "Are we there yet?", you will hear, "Gosh, are we there already!" A trip to this area will likely become an annual tradition for you and your loved ones. Come and see what all the fuss is about. You'll be glad you did.

Hope to see you in Bozeman in 2012!
