New Decal Program is a Big Hit

Bozeman, MT—The State High School Finals Rodeo Host Committee is pleased to present the Decal Program as an opportunity for all High School State Rodeo qualified contestants to off set their State Rodeo Entry Fee(s). For every Decal a contestant sells, \$50.00 of that sale goes toward their entry fee(s). High School Rodeo is not supported by school system funds; and these athletes must ‘Pay to Play’ their sport of choice. Businesses and Individuals all across Montana are stepping up and getting behind their local contestants by sponsoring Decals for them. One business owner said, “We ‘adopted’ our local rodeo kid; it is nice to know that our sponsorship dollars go directly to benefit him, and we get mobile advertising space to boot!”

Education is a key component of High School Rodeo. Contestants can not rodeo unless they meet the grade requirement and have submitted their report card to the state High School Rodeo Association office. High School Rodeo encourages each student to continue their education and to improve their level of educational achievement. Contestants have an opportunity to be awarded college scholarships and scholarship assistance to continue their education. High School Rodeo has established high standards and parameters for sportsmanship and the conduct of each member.

Have you ‘adopted’ your local rodeo kid yet? There are approximately 250 of them sprinkled about the entire state. For more information on the Decal Program ask your local High School Rodeo athlete about it, or call the Host Desk at (406) 475-3675.

The State High School Finals Rodeo will be held June 10 – 14, 2009 at the Gallatin County Fairgrounds in Bozeman Montana. Visit our web site at www.hsfinalsrodeo.org
